

Viewing City of Miami Beach Television on ROKU

Go to <http://www.roku.com> and log into your ROKU account.

Once logged in, click the “Channels” tab and search for “PEG.TV”

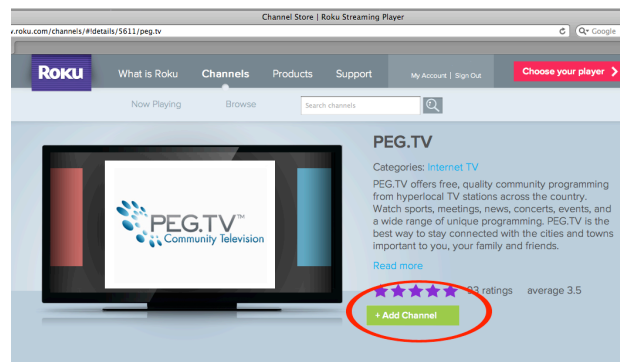

Depending on your model of ROKU, you will be asked to add PEG.TV in one of two ways:

Search results for: PEG.TV (1)

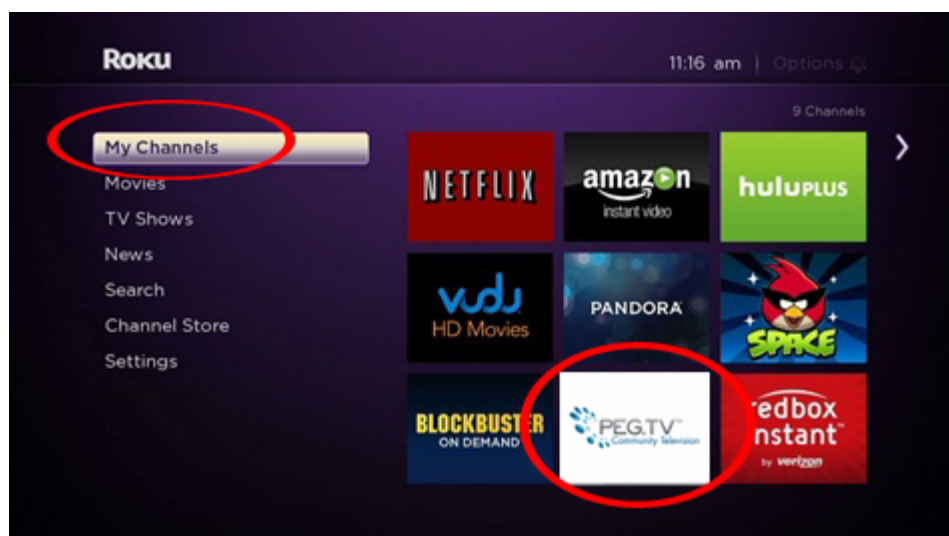

OR

Click the “+Add Channel” button, and you are ready to watch Miami Beach Television on your Roku.

Go to your television. On your ROKU interface click “My Channels.” You will see that “PEG.TV” has been added. Depending on your model of ROKU, your interface may differ slightly.

Once you select PEG.TV, scroll down to the row labeled “Government,” and then over to Miami Beach Television.
